Office Use (Trainer and assessor to complete)

(Please tick if the trainer and assessor agrees with the following statements)

- I have discussed the training with the learner and am satisfied that the learner has the LLN skills to participate in this Course.
- The learner has demonstrated a level of language, literacy and numeracy skills required to complete this Course.
- I believe that the learner does not have a problem with language, literacy and/or numeracy that would preclude him / her from completing this training.
- I believe that the learner is able to undertake all requirements of this training within the workplace, classroom and/or at home.

If the assessor does not agree with any of the above statements, please provide further details

Is English a second or third language for the learner?

- Yes
- No

If you have ticked "Yes", describe any measures you will implement to ensure the learner is able to participate and understand the training.

List any proposed reasonable adjustments to the training delivery taking into account the learner's LLN results.
