What is Recognition of Prior Learning (RPL)?

Recognition of Prior Learning (RPL) is offered to all Learners enrolling with Validum.

RPL is a formal assessment process designed to recognise your current skills and knowledge. Our RPL assessment process will identify and assess what you already know and apply it to the real estate course you want to complete.

Successful completion of the RPL assessment process could reduce the time you need to spend studying and/or the number of Units of Competency you need to complete in your course. This could in turn mean a time and, in some cases, a cost saving for you.

If you provide evidence that you have the required skills, knowledge and experience, we may be able to assess you as competent in certain Units of Competency in the course, even if you have not completed our learning for the Unit(s) of Competency.

Validum recognises all current competencies held by Learners regardless of how, where or when these competencies were achieved.

If you believe you are eligible for RPL, please contact us for an RPL Application Kit and a free initial RPL consultation.

Please note:

- RPL should not be regarded as a faster or easier way to complete your course or obtain a qualification.

- RPL is most appropriate if you have achieved or can demonstrate your competency via evidence of your work experience, other courses of study, or general life experience.
- Validum cannot formally assess your RPL application unless you have enrolled in your course.
- Validum will only award RPL if you can produce substantive evidence of competency.
- Validum recognises qualifications and statements of attainment issued by other Registered Training Organisations under the Australian Qualifications Framework.
- If you decide to apply for RPL after commencing your course, a \$395 (inclusive of GST) application fee is payable.

Is My Course Nationally Recognised and What Does This Symbol Mean?

All courses at Validum are nationally recognised. This means the Units of Competency in your course are nationally recognised in every Australian State and Territory and meet the Australian Qualifications Framework standards.

Studying the Validum Way - Your Learning & Assessment Journey

What Happens When I Apply to Enrol at Validum?

Validum is committed to providing accurate and timely advice to all learners wishing to enrol in a Validum course or qualifications.

Before you enrol at Validum, our Enrolments Team will discuss with you your background, current employment situation and career goals. Using this information, we then recommend the appropriate course for you to suit your study preference and to achieve the educational requirements for entry into your chosen field of real estate practice.

You will be provided with a copy of this comprehensive Learner Handbook, as well as enrolment information to guide you through the enrolment process.

PLEASE READ THIS DOCUMENT CAREFULLY - The Learner Handbook contains key course details (including an overview of the recommended course), the required Units of Competency, number of assessments, technology requirements, entry requirements and relevant learner information.

What Happens After I Enrol With Validum?

After you have enrolled at Validum, we will check that our entry requirements are met, and we will then provide you with login details to the Validum Institute Portal (the VIP), our online interactive e-learning portal in which you will find your course.

Our courses are self-paced courses designed for learners to work independently in their own time and at their own pace (subject to your course duration). However, if requested, a trainer will work with the learner to establish an appropriate learning and assessment plan which includes outlining the learning options, student support, tutorials, coaching and mentoring and the use of current real estate workplace documents and office resources. Current industry approved documents and forms are used to complete assessments instead of just using generic resources for assessment purposes.

How Do I Study My Course?

Our real estate courses are delivered using a blended learning approach.

Learning materials and assessments are found in the VIP which is based on the Moodle e-learning platform. In the VIP, learners work through an integrated course of study that combines learner notes, learning resources, relevant forms and prescribed documents and assessments at their own pace.

Units of Competency are clustered into learning categories that reflect current roles and functions in the real estate industry - such as legislation, real estate sales and property management. These Clusters assist learners to connect learning theory and real life situations.

If learners request, the online learning is supported by one-on-one tutorials, coaching and mentoring which ensures that learners understand key concepts and have time to practice and enhance their skills. Through their individual learning and assessment plans, each individual learner determines the amount of one-on-one tuition that they require. This tuition is available to all learners during business hours via telephone, email or face to face in the Validum Student Lounge. The Student Lounge is open to all learners and is equipped with laptops and free Wi-Fi which allows learners and trainers access to the VIP for tuition/coaching sessions.

All required course resources and materials are found in the VIP.

How Do I Complete My Assessments?

Validum recommends that learners work through and review all the learner resources and materials before commencing any assessments. When a learner has completed the learning, they can commence the assessment by completing the Part A Assessments for all Clusters and any individual Units in their course.

All Validum Assessments have a Part A and Part B.

The Part A Assessments cover the knowledge that underpins the real estate activities covered by the Cluster (or Unit). The Assessment involves online auto marked questions/quizzes. By completing the Part A Assessments first, it allows the learner to become familiar with the portal, assessments, types of questions and expected answer and the concepts that will assist the learner to complete the Part B Assessments.

The Part B Assessments consist of projects, case studies, roleplays, reports and completion of statutory documentation. These assessment tasks capture all the requirements of each Unit of Competency in a Cluster and are the final assessment for each Cluster (or Unit).

For learners who are familiar with real estate and online learning, working through the resources and completing all assessments for each Cluster is also an acceptable method of completing the Assessments in your course.

What is Competency Based Assessment?

Validum uses a “competency-based” approach to assessing your competency.

Competency-based assessments requires learners to recall their knowledge, interpret that knowledge and then apply the relevant information to answer specific questions and complete assessment tasks.

In competency-based assessment, Validum is not assessing your ability against anyone else and we do not compare your work to other learners to determine whether or not you are competent.

When assessing your ability to demonstrate the skills and knowledge of a Cluster (or Unit), your Validum Trainer and Assessor is looking only at your ability against the performance requirements of that Cluster (or Unit).

How Do We Mark Your Assessments?

Validum assessments will test your ability to apply the knowledge you gained from reviewing and working through the learner resources and materials for the required competencies of the relevant Cluster (or Units).

In your assessment answers, you are expected to be able to choose and apply the relevant information and knowledge from the learner resources and materials to answer questions, respond to specific scenarios or case studies, and complete workplace documentation.

Rather than using a grading scale, competency based assessment assigns an overall rating of **Competent** or **Not Yet Competent** in relation to your Assessment for a Cluster (or Unit).

All Validum assessments have a Part A and Part B. If you demonstrate competence, you will be given a Satisfactory rating for the completed Part of the Assessment. You must obtain a Satisfactory rating in both Parts A and B of an Assessment before you can be given a Competent rating for that Cluster (or Unit).

What Happens If My Assessment is Graded as Not Yet Competent?

Do not be concerned if you have not answered all the questions correctly in your allowed attempts. This does not mean you have failed. As this is competency-based assessment, our assessors will look at your whole attempt to determine if you have demonstrated overall competence. If our assessors believe there is an issue, they will contact you to review your answers with you.

You are given unlimited attempts to demonstrate competency in an assessment (subject to your course duration). If for any reason your trainer and assessor considers that you have not demonstrated competency, you will be contacted by Validum to discuss your assessment and provide assistance.

If you have had a number of unsuccessful attempts at an assessment, your Validum Trainer and Assessor will work with you to identify opportunities for further learning and arrange a resubmission when you are ready. Resubmission may include demonstrating a skill, re-answering questions or providing further information.

Validum will determine if further training would assist you, and will contact you to discuss your options

Remember you can always arrange for a personal, one-on-one session with a trainer and assessor to discuss any areas you are having trouble with or are posing a problem for you.

Your course duration begins on the day you are sent the login details to your course (Course Start Date) and remains current for the Course Duration. Please refer to the *Course Outlines* section of this Learner Handbook for the Course Duration for your selected course.

Your course and your enrolment expires on the Course Expiry Date. The Course Expiry Date is the last day in your Course Duration.

To successfully complete your Course, you must finalise all assessments for your Course before the Course Expiry Date for your Course.

You must submit all your Assessments 14 days before your Course Expiry Date and complete all your resubmissions before your Course Expiry Date.

Unless prior arrangements have been made with Validum, we will not accept any assessments submitted less than 14 days before the Course Expiry Date.

Unless you have paid and been approved for an extension, or prior arrangements have been made with Validum, after the Course Expiry Date your enrolment will be terminated by Validum and we will issue you with a Statement of Attainment for any Units of Competency you have successfully completed up to the Course Expiry Date.

Course Extensions

If you need to extend your Course Duration and Course Expiry Date, you may apply to Validum for an extension.

Subject to Government stipulations as to course availability periods, **your total extension period cannot exceed six (6) months.**

All applications for an extension must be made in writing and outline the reasons why an extension is needed. **You must apply for an extension before the Course Expiry Date.**

Applications for an extension must be emailed to admin@validumgroup.com.au

The extension fees vary depending on the requested extension period, and are as follows:

- one (1) month extension - \$155 (inclusive of GST);
- two (2) month extension - \$250 (inclusive of GST); or
- three (3) month extension - \$325 (inclusive of GST).

Validum will approve an extension to your Course if:

- you are not otherwise in breach of your Enrolment Terms and Conditions;
- your Course fees are paid up to date; and
- you have paid the applicable extension fee.

If Validum approves your application for an extension, your Course Duration and Course Expiry Date will be extended by the relevant extension period. If your extension is approved, Validum will advise you in writing of your new Course Expiry Date.

If you have not successfully completed all your assessments by the new Course Expiry Date, your enrolment will be terminated by Validum and we will issue you with a Statement of Attainment for any Units of Competency you have successfully completed up to the new Course Expiry Date (and unless you have applied for and we have approved a further extension).

(Please also refer to the Enrolment Terms and Conditions below)

Deferring Your Course

If you need to defer your course, you may apply to Validum to defer your course for a maximum of three (3) months (subject to Government stipulations as to course availability periods).

All applications for a deferral must be made in writing and outline the reasons why a deferral is needed and the period for which you wish to defer your course. **You must apply for a deferral before your Course Expiry Date.**

Applications for a deferral must be emailed to admin@validumgroup.com.au

Validum reserves the right (acting reasonably) in its sole and absolute discretion to either approve or deny a request for a deferral.

If you are applying for a deferral due to medical grounds, Validum may require you to provide suitable supporting evidence from a medical professional.

If your request for a deferral is approved, Validum will notify you in writing of the approval and the period of time for which your course is deferred (Deferral Period). Your enrolment in the Course is suspended during the Deferral Period.

Please note – During the Deferral Period, Government regulators and licensing authorities could change the training package and training requirements. When you re-activate your Course, Validum will enrol you into the most current version of the Course you were previously completing. In some cases, this could be different from the Course you were previously completing and you may have to re-attempt certain assessments or complete additional assessments in order to meet current training and licensing requirements. If this occurs, there could also be a transition fee payable in order for Validum to transfer your enrolment into the most current version of your course.

The maximum allowed Deferral Period is three (3) months.

If you wish to reactivate your enrolment at the end of your Deferral Period, you must contact us fourteen (14) days before your Deferral Period ends. An Enrolment Re-activation fee of \$220 (inclusive of GST) is payable at the time you wish to re-activate your Course.

After your enrolment has been re-activated, the amount of time available for you to complete the course will be the time that is remaining in your Course Duration immediately prior to the deferral taking effect. After your enrolment has been re-activated, Validum will notify you in writing of your remaining Course Duration and the new Course Expiry Date.

For example, you are 2 months into a 12 month course. You ask for a 3 month Deferral Period. When you re-activate your course after the Deferral Period, you will have 10 months left to complete your course (12 months minus 2 months).

If you have not requested a re-activation of your enrolment within fourteen (14) days of your Deferral Period ending, your enrolment will be terminated by Validum and we will issue you with a Statement of Attainment for any Units of Competency you have successfully completed as at the enrolment termination date.

If you have not submitted all your assessments by the new Course Expiry Date after re-activating your Course, your enrolment will be terminated by Validum and we will issue you with a Statement of Attainment for any Units of Competency you have successfully completed up to the new Course Expiry Date.

What Happens If My Enrolment Is Terminated?

Subject to the above, if your enrolment is terminated and your course fees are paid in full, Validum will issue you with a Statement of Attainment for any Units of Competency you have successfully completed up to the date of termination.

If you wish to complete your Course after your enrolment has been terminated, you will need to re-enrol in your course and pay the course fee which is current at the time of re-enrolment.

Please note – Government regulators and licensing authorities may change the course syllabus and training requirements from time to time. If you are re-enrolling into a Course, Validum will enrol you into the most current version of the Course you were previously completing. This could be different from the Course you were previously completing and you may have to re-attempt certain assessments again in order to meet current training and licensing requirements.

Downgrading Your Enrolment

If you wish to downgrade your Course enrolment, you may apply to Validum to downgrade your Course.

Downgrading a Course means switching from your current Course to a course with fewer Units of Competency.

All applications for a downgrade must be made in writing and outline the reasons why a downgrade is requested. **You must apply for a downgrade within 14 days of the day you were sent your VIP login details.**

Applications for a downgrade must be emailed to admin@validumgroup.com.au

You will **not** be able to apply for a downgrade if:

- you have already logged in to the VIP; or
- you have not logged in to the VIP but more than 14 days have passed since you were sent your VIP log in details,

whichever occurs earlier.

If Validum approves your downgrade application, you will be notified in writing and an **enrolment switch fee of \$125 (inclusive of GST) will apply**. Validum will notify you of the cost of the downgraded Course (which will be the price at which the downgraded Course is offered to the general public at the time of your downgrade – special promotional offers do not apply). We will refund to you the difference (if any) between the cost of your original Course and the downgraded Course (less the enrolment switch fee).

Payment Plan Terms and Conditions

If you are paying your course fees in instalments under a payment plan, the following terms and conditions will apply. By making your first instalment payment, you are taken to have agreed to the payment plan terms and conditions below.

Validum will advise you before you enrol into your Course:

- the number of instalments you have to pay;
- the amount of each instalment, and the total amount of the instalments; and
- the date on which each instalment becomes due and payable.

After you have paid your first instalment, you will be granted full access to your Course in the VIP.

Notwithstanding any other provision in this Learner Handbook, you must have paid all your instalments before we issue your Statement of Attainment.

If you are having difficulty paying your instalments, please contact us as soon as possible 1800 848 911.

If any instalment remains overdue and unpaid for more than 3 days, Validum will automatically suspend your enrolment in your Course.

While your course is suspended, Validum will:

- withhold the provision of materials for your Course;
- suspend your access to the VIP; and
- stop marking and grading any assessments you have submitted or resubmitted.

Please note – a course suspension due to non-payment does not change your Course Expiry Date.

To be reinstated into your course, you must pay all outstanding and overdue instalments, plus a **reinstatement fee of \$100** (inclusive of GST).

If you need to revise your payment plan, you will also need to pay a **Payment Plan Adjustment Fee of \$70** (inclusive of GST). The Payment Plan Adjustment Fee will be added to the remaining instalments under your revised payment plan.

If your enrolment remains suspended for more than 14 days, your enrolment will be terminated by Validum. If your enrolment is terminated due to unpaid and outstanding instalments on your payment plan:

- you will not be entitled to a refund of any instalments you have paid;

- you will not be issued with a Statement of Attainment for any units you have successfully completed;
- if you wish to continue with your course, this will involve a new enrolment into the course and upfront payment of the relevant course fee current at the time of re-enrolment.

(Please also refer to the Enrolment Terms and Conditions below)

Other Fees and Charges

The following additional fees and charges are payable in relation to your course if you request any of these:

- Hard copy of Statement of Attainment or Qualification - \$30 (inclusive of GST and postage and handling)
- Printing and postage fee for hard copies of all Learner Notes, Assessments and course materials - \$350 (inclusive of GST and postage and handling)
- Supply and postage of a USB containing electronic copies of all Learner Notes, Assessments and course materials - \$150 (inclusive of GST and postage and handling)
- If a learner decides to apply for RPL *after* commencing the course – a \$395 (inclusive of GST) RPL application and assessment fee is payable
- If a learner has to reschedule or cancel a one-on-one training session within 48 hours of the scheduled session start time – 10% of course fee paid (inclusive of GST)

Unique Student Identifier (USI)

What is a USI?

From 1 January 2015, any person undertaking a nationally recognised learning course or Units of Competency will need a USI. This is a mandatory Commonwealth Government requirement.

The USI is a number issued by the Commonwealth Government which is unique to you. Your USI will consist of a random combination of numbers and letters. Once you have your USI, it will give you access to your learning records and results (transcripts) through your online government account. A USI will be required before you can commence your course with the Validum Institute.

BEFORE WE CAN SEND YOU LOGIN DETAILS TO YOUR COURSE, YOU MUST PROVIDE US WITH YOUR USI.

What if I already have a USI?

If you already have a USI, please ensure that you include it in your ENROLMENT FORM. If you fail to supply us with your USI number, we will not be able to complete your course enrolment or send your login details to start the course.

If you can't remember your USI, simply visit the Government website (link below) and follow the simple steps to find your USI - <https://www.usi.gov.au/students/find-your-usi>

What if I don't have a USI?

If you do not have a USI, simply create one via the government website:
<https://www.usi.gov.au/students/create-your-usi>

If your USI application is successful, the USI Registrar will advise you directly of your USI number.

If you do not have a USI or cannot provide Validum with your USI, your course enrolment will remain incomplete and we will not be able to send you your course login details to start the course. Under no circumstances can you start a course with Validum or be issued with a Statement of Attainment without a valid USI.

Validum AI policy

Background

Validum acknowledges that with the increased usage of AI in a variety of situations, it is important to draw on the benefits of AI while considering and minimising the potential risks and/or costs.

The purpose of this Policy is to outline the way in which AI may be used by Validum learners.

For the purposes of this Policy, **AI** means artificial intelligence and machine learning software or applications, including but not limited to ChatGPT, Jasper, Synthesia (videos, eLearning), Murf (artificially generated voiceovers for content), Canva (image generation, text to image), GTP3, GPT4 and Claude, or any later or similar versions of such software or applications.

The focus of the Policy is directed at ChatGPT, however this policy applies equally to any other AI used for the same purpose, including those which were not yet created at the time the Policy was written.

Validum understands and acknowledges that AI:

- can be a useful resource for the purposes of research and drafting;
- uses information gained from data that has been fed into it, together with data mined from the internet;
- allows users to feed data into it to generate content; and
- in many cases, is not to be treated as a private or trusted platform, as AI may retain information entered, and which may be accessed by third parties.

Policy

Any use of AI will be permitted for research, assistive, idea generation, information gathering and brainstorming purposes only.

All learners, prior to submitting each assessment, currently sign a declaration that the answers in the assessment are produced by the learner and are the learner's own work.

In line with the current declaration, Validum expects that all assessment answers submitted by learners in the course of undertaking studies with Validum will be the learner's own original work.

Learners are **NOT** to use AI to:

1. cheat;
2. create substantive answers to assessment questions which are copied and pasted directly into assessment questions and passed off as the learner's original work (this is plagiarism); or
3. answer questions beyond the learner's apparent ability or skill.

Learners are responsible for proof-reading, fact-checking and editing any content created by AI, and to request sources wherever possible and relevant.

It is also the learner's responsibility to ensure that any content generated by AI does not breach any copyright or other intellectual property laws.

PLEASE NOTE – if a Validum Trainer and Assessor determines that a learner has blatantly and repeatedly used AI to complete their Assessment(s) in a manner which breaches this Policy, the Trainer and Assessor may (in their sole and absolute discretion) refuse to mark the learner's Assessment(s) and require the learner to re-attempt the Assessment(s) in their own words.

Risks in using AI

Validum notes that there are potential risks and/or detrimental effects associated with the use of AI in a work and study context. These may include but are not limited to the following:

- privacy;
- confidentiality;
- commercially sensitive information; and
- currency and accuracy.

As AI relies upon information that it is fed, it is entirely possible that collectively a large portion of incorrect and unreliable information could be used to generate false content.

NEVER enter personal or confidential information. What you enter into an AI prompt is stored for future use. It may be recalled or used at any time without your consent.

The learner acknowledges that Validum will not be liable for any loss, cost, expense, claim, damage or adverse impact suffered by the learner caused by, or as a result of, using AI, entering personal or confidential information into AI, or relying on content generated by AI.

Learners who are unruly, offensive or conduct themselves in a disrespectful, abusive or threatening manner toward Validum Institute personnel or fellow Learners will have their enrolment cancelled (without refund).

Plagiarism will not be tolerated and if detected, may result in a Learner's enrolment being cancelled and assessment result being revoked.

Learner support

If you are experiencing any difficulty or concerns about your learning experience, please contact Validum Institute. There is a range of solutions which we can discuss and provide in these circumstances.

Access and equity

Validum Institute is committed to providing learning and assessment services to all Learners regardless of race, religion, gender, socio-economic status, disability, language, literacy or numeracy.

The Australian Qualifications Framework (AQF) also gathers feedback from students on learner engagement and employer satisfaction. You may at some time be asked to provide feedback directly to them as a student of Validum.

Complaints and appeals

Validum Institute's Complaints and Appeals Policy provides an avenue for you to advise us of any issues, concerns or complaints you may have, or lodge assessment appeals with Validum Institute.

We will deal with all complaints and appeals in a constructive and timely manner.

Language, literacy and numeracy testing

Our courses require a basic language, literacy and numeracy proficiency for English and Maths at a Year 10 or equivalent level.

In some circumstances, a Learner may be required to complete a literacy, language and numeracy (LLN) test. The LLN test provides an opportunity to identify any Learner support needs before formal learning commences. Any Learners who advise Validum Institute personnel of any special learning needs will be provided with the appropriate support and guidance with the aim of assisting the Learner to obtain competency in their course.

This assistance provided by Validum Institute personnel will be within the principles of fairness and flexibility of workplace assessment and will be offered in a discrete manner.

Legislative compliance

As a Registered Training Organisation, Validum Institute is regulated by the *National Vocational Education and Training Regulator Act 2011* (NVR Act).

As a consumer, learners have certain consumer rights under the Commonwealth *Competition and Consumer Act 2010*, and the Queensland *Fair Trading Act 1989*.

As a company, Validum Institute is also required to comply with applicable anti-discrimination and work health and safety legislation.

Your chosen course will cover in detail any legislative requirements relevant to the Units of Competency covered in that course.

If you wish to know how you can get access to this legislation, obtain further information from various Government bodies about this legislation, or obtain a copy of relevant Validum Institute policies and procedures, please contact our Administration Team at admin@validumgroup.com.au or call us on 1800 848 911.

Information collection, use and disclosure by Validum Institute

As a Registered Training Organisation, Validum Institute has obligations to provide certain information it has collected about you or your enrolment to the Australian Government through the National VET Provider Collection system, managed by the National Centre for Vocational Education Research. This information informs the Government and its agencies about Validum Institute's participation in the Vocational Educational sector.

Validum Institute will take reasonable steps to ensure the accuracy and security of the information collected (please refer to our Privacy Policy in this Learner Handbook).

Learner records and access to the VIP

Learners are entitled to request access to the records of their learning at Validum Institute. Subject to the retention periods below, photocopies of your assessments can be arranged for a small administration fee. (Refer to **Additional Enrolment Information**).

We retain your learner records for a period of 6 months from when we issue you your Statement of Attainment.

After this 6 month period has expired, we will dispose of relevant parts of your learner file via secure means.

Learners wishing to gain access to their learning records should contact our Administration Team at admin@validumgroup.com.au or call us on 1800 848 911. We may ask that you submit your request for access in writing.

Validum Institute Student Lounge Terms and Conditions

Validum is unique amongst training providers in offering a lounge for current students to use when completing their course. The Validum Institute Student Lounge (Student Lounge) is a quiet place of study for Validum students with in-person trainer support and assistance available.

The Student Lounge is open Monday to Friday from 10 am to 4 pm.

There is high demand for use of the Student Lounge and places are limited due to COVID social distancing requirements. **Bookings are required.**

To ensure that all students have equitable access to the Student Lounge and ensure fair and adequate trainer support and assistance for all users, Validum has implemented the following Student Lounge Terms and Conditions (**Lounge Terms and Conditions**).

By making a booking to use the Student Lounge, you are deemed to have read, understood and agreed to comply with these Lounge Terms and Conditions.

Admittance to Student Lounge

Where possible, Validum will make reasonable attempts to accommodate all Student Lounge bookings.

Validum staff have the right to refuse entry to any student or person at any time if, in their reasonable opinion:

- the student or person does not or will not comply with the Lounge Terms and Conditions;
- the refusal is necessary for the orderly operation of the Student Lounge, to ensure the availability of adequate trainer support and assistance for other Student Lounge users;
- the refusal is necessary to ensure ongoing compliance with any current Government health directives; or
- the refusal is necessary for the safety or comfort of other Student Lounge users or Validum staff.

Student Lounge Bookings

Students **MUST** book at least **24 hours in advance** to use the Student Lounge.

Bookings can be made by calling Validum Reception on 1800 848 911 on Monday to Friday, between 9 am and 5 pm. Validum staff will take bookings on a first-in-first-served basis.

When you call to make a booking, you will be asked:

- what day you wish to use the Student Lounge;
- your preferred Student Lounge arrival and exit time(s);
- if you require trainer assistance during your time in the Student Lounge; and
- if you require the use of a Validum Laptop during your time in the Student Lounge.

After you make your booking, Validum will confirm with you the date, time of arrival and the length of your stay in the Student Lounge (your Booking) via email and provide you with directions to the Institute. Validum holds no responsibility for students not receiving this email.

There is no limit on the number of times a student can come into the Student Lounge, but you can only book one (1) Student Lounge visit at a time.

If you already have one current Booking, you can only make further a Booking at the end of your current Booking.

Student Lounge Booking Reminders

Students are responsible for remembering their Booking details and for ensuring they have directions to the Student Lounge.

Student Lounge Waitlist

If the Student Lounge is fully booked, you may request to be placed on the waitlist. Placement on the waitlist is on a first-in-first-served basis.

In the event of a Booking cancellation, we will contact the student at the top of the waitlist to offer them the vacant spot. If that student no longer requires the use of the Student Lounge or is not contactable, we will contact the next student on the waitlist until a student answers and confirms the booking spot.

If you have not been contacted by Validum one (1) hour before your preferred Student Lounge entry time on your waitlisted date, this means a spot is not available in the Student Lounge.

Cancellations or No-Shows

If you wish to cancel your Booking or you no longer wish to use the Student Lounge, **you will need to cancel your Booking before your scheduled arrival time**. This will allow us to free up your spot for other students.

Booking cancellations can be made by calling **Validum Institute Reception on 1800 848 911 on Monday to Friday, between 9 am and 5 pm**.

If you fail to contact Validum Institute to cancel your Booking within the required timeframe, or you do not attend at the Student Lounge on the day and time of your Booking (**No-Show**), you will not be allowed to make another Student Lounge booking for one (1) week (**Booking Block**).

We do appreciate that sometimes events are out of your control and you may not be able to make it to the Student Lounge as per your scheduled Booking. If this happens, Validum may use its discretion to waive the Booking Block in exceptional circumstances.

Late Arrival To The Student Lounge

You are required to arrive **on time** at your Student Lounge Booking.

If you are running late, please contact Validum Institute to advise us as soon as you are aware that you are running late

If you are more than 30 minutes late for your Booking and you have not contacted us, your Booking will be cancelled and your spot will be made available to students on the waitlist. This is also considered a No-Show, and you will not be allowed to make another Booking for one (1) week.

If you arrive more than 30 minutes after your scheduled Booking (without notifying Validum), you will not be guaranteed a place for that day, and Validum staff have a right to deny you entry into the Student Lounge.

Access to Trainer Support and Assistance

A trainer will usually be working in the Student Lounge. This means you can ask the trainer for tuition support and assistance when required.

Trainer support on a given day is planned and allocated in advance based on the number of confirmed Bookings for that day. Please note that on a given day, priority for trainer support is given to those students who have made a Booking for that day.

Validum's Fair Use Policy applies – please be mindful of the fact that the trainer is there to assist all Validum students (and not just those who are present in the Student Lounge).

If you require dedicated, continuous one-on-one training and support throughout your entire course, please contact us to make alternative arrangements for support.

Use of Validum Laptops

Validum supplies a limited number of laptops for students to use while in the Student Lounge (**Validum Laptops**).

If you have your own laptop, we ask that you bring your own laptop to use while in the Student Lounge. This will also free up the Validum Laptops to be used by those who genuinely do not have access to computers.

The Validum Laptops and their software and accessories remain the property of Validum Institute. Students will be held liable for any damage or theft of Validum property.

Use of WiFi

While using the Student Lounge, you will have free access to WiFi. Validum's Fair Use Policy applies. Validum continuously monitors data usage, internet and download activity on its network. Downloading or streaming content outside your course work, or using the WiFi for personal or non-course related purposes is **not** permitted.

Fair Use Policy

Students are expected to use the Student Lounge, its WiFi, Validum Laptops, facilities, and trainer support and assistance in a reasonable manner for the purpose of completing their course only.

In relation to trainer support or assistance, reasonable use involves asking a trainer to help with specific question(s) from time to time. To ensure that adequate trainer support and assistance is available to all Student Lounge users, trainers are not able to spend extended periods of time solely with you.

If you require dedicated one-on-one training and support throughout your entire course, please contact us to make alternative arrangements for support.
